“ We have asked our selfs many questions with no answers... we had big plans for our babies we both wanted the best for them. Many have so many great things to say about you Edgar but I can be proud to say you were the best father.you left a huge part of yourself with me and I can't be thankful enough our boys looked up to you in so many ways and they are proud of you in so many ways as well. I would love to say so many more great things about you and of how I feel but this pain is more then I can bare. We love you Edgar and I will cherish all of our good times you were my first love and that's something that can't be forgotten
