

Edna Marie Clark

August 20, 1941 - June 10, 2023

Edna “Marie” Clark, 81, passed away on June 10, 2023. She was born on August 20, 1941 in Waltersburg, Pennsylvania. Marie loved spending time with her family, cooking, cleaning and praising her Lord & Savior, Jesus Christ. She was a great country cook and could make anything from scratch. She would clean anything that wouldn’t move and even some things that would! Her faith in God was remarkable! She loved to praise and worship! You could hear her praise music blaring down the property where our family lived in the country. She was a Prayer Warrior sent by God to pray on his matters and over his people, even strangers in public at times. Her hands would turn hot like a heating pad when she laid them on you to pray for healing. It was like a miracle. We will really miss her healing hands and prayer warriorship. This loving mother, sister, aunt, grandmother and friend will truly be missed.

Marie is preceded in death by her parents, Robert Playford Kennedy Holt and Eloise Iantha Ryan Holt; siblings, Grady Holt and Carl Holt, and granddaughter, Ashley Cuthbertson.

Survivors include her daughters, Carolyn Moss (Ronald), and Sabrina Lance; siblings, Maxine Stewart and Carol Wingrove; grandchildren, David Lance and Hannah Lance; along with numerous nieces, nephews, extended family and friends.

Details for a Celebration of Life will be forthcoming.
