“ I met him only once, but I know Mr. Pachar was a funny, smart, knowledgeable, amazing man. He just had this air about him that relaxed a person. He will be sorely missed. But, I know your spirit lingers in the hearts and souls of your family. You live in us all.

“ *From your family here at First Transit we send our condolences to JD's immediate family. JD was a contractor here at First Transit but he was as much a part of our team as anyone. I owe a great deal of gratitude to JD because a person with his kind of loyalty isn't easy to find these days. JD you will be missed and never forgotten. The life stories you leave behind will be topics of conversations for years to come. God Bless.*

“ I am sorry for your loss. I know this is very hard for all of you. Jd was good person. He cared and loved his family very much. He was always there for anyone that needed him. He went out of his way to help others. I have worked with Jd for many years at HCI. I watched his kids grow up and Jd was so proud of his kids. He loved his wife very much. I will never forget Jd coming into work and saying Hey little sister, Do you need anything? Has anyone hurt you, because if anyone does I will take care of them for you. Well, he will be missed. He touched everyone's heart and he will never be forgotten. If you need anything let me know, love y'all.
