“ *Larry, Ron and family:
Dad, Arthur Roehe, and I send our prayers and thoughts to you in your loss! Losing our parents is a difficult transition to experience and I know it hurts. I believe though, that your Dad is free from his pain and "dancing" in the light of blessedness! Please know we are with you during this time...*

“ *Ron, and family,*

My deepest sympathies to you at this time of loss and deep sadness. I work with Ron, in the Fort Wayne office, of MedPro, and lost my father on Thursday 7/3/08 so I truly understand the loss of your dear loved one. Knowing that he is home in Heaven, and no longer suffering, or in pain, is a consolation to you I'm sure. Remembering the time spent you spent with him over the years will no doubt be of great comfort, and joy, as you look back on those times with much fondness now.

Please know that you are in my prayers.

Lovingly,

Becky Temple
