“ Mrs. Stade, Richard, Karen and all the Stade family, please know that the Longoria family joins you in lifting up prayers and rejoicing in the successful mission that Mr. Stade accomplished in this earth. A School Board Member, Brother Knight and great father that he was will allow him into heaven with our son, Joey! May God give all of us left behind faith, strength and courage to fulfill our own mission so that someday we will all be together again.

“ Dad loved country music and he loved Texas. His favorite artist was Ernest Tubb and his favotite song was "Waltz Across Texas". Rest in Peace Dad and I hope you get to see Ernie up there! We'll play his music at the wake to honor both you and him.

“ Though we lived through rough times, we all made it through because of Daddy's strength and love. I pray he knows that we all truly loved him beyond what words can say and that though a part of all of us died with him, he will never leave us. Daddy I look forward to the day when we can meet again and share that hug that was always so illusive.
