“ Grandpa, I am so blessed to have had you in my life as my grandpa! You were the perfect Grandpa and simply just an amazing person! You will be missed by so many, but we are all confident that you're shining down on us. It is really hard to accept that you're gone, but it is comforting knowing that you're reunited with loved ones who have passed before you...and I'm sure you have a new set of knees up there in Heaven :) You always had a smile on your face, and the simple things always made you so happy. Grandpa, I miss you, and I love you so much! Please know that you will always be in our hearts. I will forever cherish our walk down the aisle together! :)

One more thing, any time any of us win a football pot, cake at the church bazaar, raffle prize, lotto ticket, etc, I think it will make us all chuckle, and we will know that YOU had something to do with it! (Maybe you have some friends in high places now with those PowerBall jackpots! :)

I could go on and on, but I guess I need to leave room for others to write their tributes! I love you! Ja Cie Kocham (pretty sure I butchered that Polish, but you and Granny will know what I am trying to say! :)

Love: Sara, Jacob, Carson and Emma (and Dusty and Dixie, too!)

PS

My deepest sympathy to the Ubernosky family. I met Edwin and Barbara when we were neighbors across the alley. It wasn't until I met Pat at work a few years later that I learned I was neighbors with her parents.

The loss of a loved one is never easy and know that you all are in my thoughts and prayers. Cherish the memories made throughout the many years.
