“ *My husband, Alfred J. Minks, worked many years with Eldridge at Schlumberger and always had good things to say about him. Alfred passed away on March 4, 2009, after a long courageous battle with cancer. I can't believe it has already been two years.} He may be gone but he will always remain in my heart. Good memories are never forgotten. May God bless you and your family.*

“ I have so many wonderful years full of memories: laying wet and cold in a rice field waiting for geese or ducks or whatever with LD telling me how much fun we were having. I would have shot anything that moved just so I could go get warm. LD putting me in a tree at 4 AM and telling me to be quite he would come back to get me after daylight. Again I would have shot anything I could see I was so scared. Who knew little things could make so much noise. I was so glad to see the man he never knew how scared I was but I was The Great White Huntress to LD because I stayed where he put me. He had no idea I was too scared to move. The day all the guys told me my muffler bearings were out and I looked to LD to see if they were joking. He never cracked a smile just nodded. I went after him first when the guy at the Chevy house stopped laughing. I will miss my friend, we were separated my miles and years but he will always be my best bud.

“ Here are some memories I have of L.D. that I'd like to share:

I enjoyed L.D.'s quiet, witty humor & that sheepish grin he'd get on his face after saying something quick-witted. I remember his love of the outdoors. He wasn't one to stay in the house for long. He loved his garden & was good at growing one. I remember how much he loved working in his shop on various projects. He was so talented! I have a wishing well in my front yard that was made by his hands. I think of L.D. each time I see it. It's something very special to me!

I love you L.D. & am thankful God blessed me with you for a brother-in-law! You made life richer with your presence and smile! I will surely miss you!

My heart & prayers go out to all the family, especially to my sister, Beverly! I know this loss is very, very hard! How I wish I could be there with you in person! But, I am with you in heart & spirit. I love you very much & will keep you close in all my prayers!

*I love you!
