“ Thank you, Daddy, for keeping me safe, helping me to be happy, and loving me so much. You were such fun and loved each of your children unconditionally. The luckiest break of my life was having you for my father. Your wisdom and patience were remarkable. I promise to remember what you told me regarding how to begin each day... " This just might be the best day of my life ! " And, I will believe it every day.

Thanks for all of the memories,
Your loving, daughter,
Veronica Anne

“ I remember when I was a child and my dad would drive us up to Houston to visit "Uncle Elic" and family. Those were fun times! I imagine that perhaps he and Dad are somewhere having a good time together like during those visits of long ago.

“ Ray lived his life by example. He was one of the most caring men I've ever met, and he never judged anyone. He took everyone into his heart. I hope everyone he touched benefits from his lessons. We will greatly miss him, and our prayers are with his friends and family. We love you Grandma Dorothy, and we're here for you.

“ Ray is the most beautiful, lighted person I have ever known. His kindness, compassion, belief in the good in everyone are only a few of the lessons that I learned from him. He was always ready to help, never complained or spoke ill of anyone. He was chivalrous, humble, funny and honorable. I will miss him for the rest of my life. He will live on in my heart.
