“ I love you Nana. I'm going to miss you so much! All the memories at the organ. Eating your famous brownies every Christmas. Even in your older years, you were still as young as the rest of us in heart. You are one blessed woman to have all this wonderful family ad friends. You made this family and in return, we hope to make another family just as great. We all love you and you will be surely missed.

Love,
Robyn
