“ *My deepest and most heartfelt condolences to the family. The memories of my aunt Lecha always welcoming my mom and family with open arms to her home will be missed. Our times visiting her were always full of laughter and joy. She was a sister in law that my mom adored and loved tremendously. She was a beautiful lady inside and out and will be missed much. Rest in Peace My Lovely Aunt Lecha*

“ Lecha, our beautiful sister-in-law, will be greatly missed. Her welcoming smile and loving and generous heart are memories that we will cherish forever. She was a person with so much talent. A wonderful cook. Everything she made tasted so delicious. Her house was always beautifully decorated. She also had a green thumb for plants. Lecha will be greatly missed but never forgotten. Know that your cousins from Dallas and San Antonio will be praying for the family. Virginia, Erminia, Sofia, Mary and Juan Raymond

“ Dear Cousins, even though we are miles apart, we are so near in heart ❤️. We are broken hearted knowing that our Aunt has passed on...we loved her dearly. She was always so sweet, gentle and kind. We will remember her always in the kitchen, her love of cooking, or in her garden, her love of plants and growing her own vegetables. I used to love visiting her in Texas and just spending time with her. We are comforted knowing that she is finally resting and reunited with all her brothers and sisters.  
Our thoughts and prayers are with you all, our Texas Family. With  
Our Sympathy And Love,  
Patsy, Linda, Jannie, Dianna and Debbie
