“ To Kim & Leslie & the rest of your family,

I am deeply sorry for your loss. I didn't know your mom very well but I do remember that when she graced us with her presence, she lit up a room with her BIG, BEAUTIFUL smile. You all look so much like her especially you, Kim. Take care of one another & be each other's rock. She lives through you all in spirit. May the Lord give you courage & strength to endure what lies ahead.

“ My dearest family....nices

I can only imagine your pain..my heart aches..

I still can't believe she's gone, she'll forever remain special to me, I have fond memories of her, her smile, her laughter her dear words of encouragement when times were hard. She never stopped loving her beautiful daughters and would want everyone of you to cherish her memory and succeed in your lives.

I will always be grateful to have such a special sister in law....which was closer to me than my own sisters...I Love her dearly, and will miss her tremendously, I thank the Lord I was able to be with her on Thanksgiving , my last memory, May she be happy in the arms of our Lord.

Girls remember how much I LOVE YOU ALL....and I will be praying for you.. Be proud of the mother you had.
