Elizabeth Delgado Rodriguez was born October 26, 1951 in Donna, Texas to Jesus and Bertha Delgado. She went to be with the Lord on July 30, 2020 at the age of 68.

Liz, as she was known to family and friends, lived a good life and was greatly loved by many. Married to the love of her life, Exsiquio Rodriguez, on September 12, 1972. Liz went on to become a mother to two beautiful daughters, Cynthia and Sandra and eventually a grandmother to Ethan, Elliott, Alexis, Annalise, and Addison.

Liz graduated from nursing school in Victoria, Texas. She began her career at Women's Hospital in Houston, Texas. She loved being a nurse and worked several years in day surgery and eventually became a pediatric nurse. She was adored by her patients and their children. She retired from nursing in the year 2000.

Liz lived to care for her family. Always the first person to support and celebrate the successes of her family members, she made selfless sacrifices to put her loved ones' happiness first. She was an involved Mother to her daughters and Grandmother to her grandkids. All they had to do was ask, and Liz was there for all of them. Her kids and grandkids were her light and loves. She spent so much time with them and had a heart of gold. She was generous, passionate

about life, a woman of Christian faith, and an avid reader. She loved her “Luv ya Blue,” Houston Oilers and enjoyed watching classic black and white movies. She loved music, her favorites were Frankie Valli, Vincente Fernandez and the Beach Boys.

“ *Thank you, Mrs. Rodriguez, for always taking me in when I was a college student with Cindy. I have fond memories of spending long weekends and holidays at your home, and always feeling loved and that I was part of the family. I'll never forget our fun road trip to see your family in Victoria. They, also, made me feel welcome and part of the family. Your generosity and love have been appreciated by me for decades after.*

Words can't express how heartbroken and sad I am to have lost you. You were an amazing and loving sister. “ *Sister I hurt so much that you have left us. While I know your not suffering anymore and in a better place another part of my heart has been broken. You were an awesome sister, you provided for me when I was young, you took me on vacations and always had me with you, and were always there for me when I needed you. You trusted me with your girls and your home. You helped me get several of my jobs and you led me to the legal field. I thank you for all because I wouldn't be where I'm at if you did not provide that path for me. You did so much for me it's not forgotten. When I saw you last I never thought that would be the last time. Your with Daddy now in a beautiful place and have earned your wings, and I have gained another guardian angel. Watch over us Sister until we meet again. Love you always, Gigi.*
