“ Aunt Ethel, she was my great aunt, and my namesake, I see multiple qualities in myself from her, it was awfully sad she passed close to my birthday, but she is no longer hurting. She brings great joy to my family ☐

“ I knew her, my grandmother, like I know few others. She was a person who would generously offer you her last penny as graciously as her first smile. Her humble nature matched perfectly with her flashes of wisdom. Knowing that she loved me with all of her heart, just as she loved everyone else, is more than enough for me to smile at the thought of her. I love her and I know she knows it.

“ Ms. Ellie is one of those special people that come around only once in a lifetime. We always felt so honored to be counted as a friend. We always looked forward to her visiting her sister Kathryn and her niece Barbara Robinson and husband Gary because she always visited our church as well. We loved her as family. She will be missed. We wish God's peace on her family and those that came to love her.
