She was so loving and welcoming each time I met her...even giving me hugs and kisses each time! God blessed her with a full, long, happy life and for that we can be grateful! I am a better person for having gotten the honor of meeting her. Your entire family is continually in my prayers! Much love to all.

“ I was once married to Grandma Borowski's son, Bobby, for 23 years. Grandma and I had a special relationship full of love and memories. One week before she passed away we visited at her home and I was blessed to look into her beautiful eyes and we exchanged our love to each other. To know Grandma Borowski was a blessing as she was such a wonderful person, Mother, Grandmother and Great-Grandmother. We will miss her always and my heart goes out to Bobby and Nancy. They are exceptional people and children. They took excellent care of their beloved Mother until the day she went home. My love for her will never die. She is the only Mother-in-Law I have ever had. May she rest in peace... and she will.
