“ Our thoughts and prayers are with the family of Lavidia. I met Vida during her friendship with my Mom Irene. They were very close and after my mom passed she was there for me like a sister. We continued to be friends thru the years. She was such a caring and compassionate person and fun to be around, She will be missed but I know she is enjoying her reunion with all those she loved. May she be at Peace.

Lavidia and James were such a sweet couple. I got to know them from Church. They always had smiles on and helped to share their love for each other, their family and friends. May they spend eternity together.
