“ Jerry & family,
We just wanted to let you know how much we loved Emma and valued the friendship we had with both you and Emma. You know we go through life and meet many people, but there is this rare opportunity when you get to meet someone like Emma who was such a kind and loving person. You all will be remembered in our prays.

*Love,
Bob and Linda*

“ *Emma was a very special person to me. She was a substitute at Jane Long and Williams Elementary when I was the Assistant Principal at those schools. She always had a smile on her face and hug for me. I will miss her very much and pray that her family finds comfort in the many friends she made at the schools in which she worked.*
