“ Stephanie,
I just read the paper to learn of your moms passing. I am speechless. Your mom was such a blessing! I still remember the times at the daycare, the things she would tell us when we went out, the conversations we had, the advice she would give me, the fun times we had....such a kind, caring and loving person. I will never forget how she just took Andrew in as her grandson after he was born.
My heart aches for you and your family but just know you had a "One Of A Kind Mom".

“ Stephanie, we are thinking about you and your family. Keta was such an angel to everyone of us that she knew and came in contact with. We can share that angel with everyone else now.. It is going to be different, as I am sure you have already found out, to not have her with you, at almost thing you and/or Neil and the kids did together. She was such a big part of you!!! You are very blessed to have had that relationship with your mother. Not everyone can say that. Please know that we are here for you, Neil, Josh, Morgan, and Linzee, whenever you need us.. Love to you all...

“ *Stephanie, Seeing the photograph of Keta with Johnny Rodriguez playing on the video during the visitation tonight, I realized the day the photograph was taken was the last time I had a conversation with your mom. As she had each and every time I encountered her, when I saw her at the Fair that day, she greeted me with a friendly “hello” and a warm hug. She then commenced talking about her grandkids, and telling me about what each of them was up to. This was also something she did each and every time I encountered her. She loved and was so proud of them all. I will fondly remember your mom. Etched in my memory is that last conversation with her as Johnny Rodriguez performed. As our conversation ended, she gave me that last warm hug, and as she turned to walk away, she looked back at me and smiled. I am certain she is now smiling down on us all. Our thoughts and prayers remain with you and each of your family members during this difficult time. All my love, Pam*

“ *To The Family,
My deepest condolences goes out to the entire family. I am so very, very sorry I could not attend. Keta was the best Wife, Mother, Sister, Aunt, Grandmother, Friend etc..... anyone could ask for. She will always hold that special place in my heart forever. I will miss her California visits, and will always remember all the happy times we shared that's etched in my memory. I was fortunate to spoil my Aunt and treat her to some nice places. I'll surely miss our late night conversations at my home over dr peppers and salts treats, time flew by and we enjoyed one another's company with lots of laughs and never worrying about time. She will be missed but never forgotten. We Love You Aunt Keta. From The Saldamando's Jesse, Angie, Jesse Jr. and Crystal.*
