“ I remember getting gas at his station when I was a kid staying with my grandparents in Beasley. My grandparents were Ludwig & Henrietta Dobesh. My dad, R.P. Siptak knew him as well. I read the paper online when I can and saw Mr. Barcak had passed away. I just wanted to send a note of sympathy.

“ Dear Folks, What a wonderful man Mr. Barcak was. My father-in-law thought the world of him and so do the rest of our family. When I go to town and see the building that he worked in, memories of his cheerfulness and friendliness surface instantly. God comfort you during this temporary separation. Don Carter

“ I want to give my deepest sympathy and my prayers to the Barcak family. I am Johnny & Linda Sebesta's daughter from St. Wenceslaus. I went to school with your daughter Terri. I lost my dad in October of 2006, and I know exactly how you feel. Just know that my mom, Linda Sebesta, and my whole familie's prayers and thoughts are with ya'll especially during this holiday season. I will miss seeing that little man walk up to the front pew on the left at Church on Sunday mornings.

“ My sincere sympathy - Mr. Barcak provided so many services for us during cotton pick'n season and throughout the years. As a kid I remember him covered from head to toe with grease and black tire smut. A hard working and caring man; of course he'll be missed by all until we are reunited in Heaven.
