“ I've only known Mr odom a few years. He was my favorite customer to wait on at kovasovics. I loved when I saw that old red truck drive up. I have missed him these past months and had been praying for him and your family. I will miss joking with him, he was one of the kindest gentlemen I've ever met and I am proud to have known him. I pray God comforts you all now. God bless

“ Our thoughts and prayers are with all of you. Alan was a wonderful person and very well liked. Alan never met a stranger, always made you feel as he knew you. He was a very good welder and fixed a lot of my screw ups. I know he will be missed far and wide. Rest in peace ole friend. God has a really good man to add to his collection.

“ Troy and family, just wanted to send my sympathy on the loss of your dad. I know we went to school together, but I met and changed the gas meter out at your parent's house years back, and your dad was a good man who loved to talk. Your mom made a comment about it and we laughed. Our prayers are with you. Greg Antrich and family.

“ I didn't get to spend much time with Puddin' & Virginia during the latter part of our lifetimes but sure enjoyed our visits when possible. We enjoyed especially getting together at the Lecompte Class Reunions! It was a special treat for me to have lived in Lecompte for 4 years when Puddin' & I were in the same classes in school and even sat beside each other during that time. Aunt Fronie, Uncle Walter, Chas, Bud and Puddin' were special. Aunt Fronie always baked a marble cake for me when she knew I was coming over to her house. She and I had a special friendship. Bud was a good bit older than me but Chas was only about 2 yrs. older and we were also "buds" and had some good times together - squirrel hunts, and just being pals. But Puddin and I were special "buds". We had a run in with each other inside of 24 hours after having first met but from then on we were always close. We were both pretty fair baseball players and he & I have both talked about the time when he and I got into a "burn out" session behind the Lecompte gym - throwing the baseball to each other as hard as we possibly could and never missing the catches! He was always fun and always had a grin for you. I'll definitely miss Puddin' knowing that he is no longer with us - even though we didn't get to see each other all that much in our later years. Great guy, great friend, & great 1st cousin!  
My sympathies to Virginia, friends and family who will also miss him dearly!

Regards & Love,
