Hi Aunt Stella, I miss you with every ounce of my soul. I cant believe you are gone. We had so much fun when you had come over to our house. I am never ever going to forget you, I just love you sooo much. We keep praying for your soul and for Uncle Chuy and the Kids to be ok. I also keep waking up hoping someone was mistaken about you leaving and that you are still with us. I want you to rest and have a good time with Ma Tonia and Potie because you know how very much we all miss them. And now we miss you too...and it hurts. I just love you so. It always made me so happy to see and hug you. I have so many pictures of you laughing and videos that I still cant play because if I hear you laugh I think that will be it for me. I just love you so. Visit me sometimes please.....We love you.
