I used to stay over her place over weekends, and she'd take me out different places like McDonald's, miniature golf, to clothes shopping at the mall and other stores. Probably my most favorite memory was when we'd go on day trips with her church once every summer.

“ It is with a heavy heart that I am acknowledging the passing of my childhood friend of over 50 years. We have shared a long friendship and enjoyed each others company. I know what a good person Esther was and a great Mother, Grandmother to her children and grandchildren; you all have my deepest sympathy in the loss of a wonderful Mother, parent, and good friend. Her suffering is now over and she is now in the Palm of Jesus' hands. May she rest in peace and watch over you all forever. God Bless You All.

May God comfort you all you during this sorrowful time.

“ *Its hard to believe she's really gone. Only a few years ago, she was living down the street from me. She had a big heart for others and generosity like no one I have ever met before. I will miss you grandma.*
