“ *I remember escaping a hurricane that landed my daughter and I in Centerville. The lock on the bathroom door was broken and I managed to lock myself in. I was knocking and yelling help! Finally, Mr. Myska figured out where I was, he opened the door and asked me - you didn't know how to open the door? I was embarrassed and he thought it was so funny. Wonderful, kind man with a great sense of humor. My sincerest condolences to the family. I send hugs and prayers to all of you. 🙏❤️*
