“ *Dear Fay and family,*

I have many fond memories of Genevieve at Faith UMC in Richmond. I can remember her coming to the church each week to fill the baptismal bowl with distilled water. She didn't want any mineral build up to damage the bowl. She helped around the church in so many ways.

I remember how she loved the roses in her back yard and how she shared them with others.

I think of her often as there are a couple of ladies in our current church that remind me of her.

I'm sure she's loving being with her John and leading "something" in heaven.

Although I won't be able to attend the service tomorrow because we now live in Plano, I will be there in spirit and will be thinking of all of you. She had a wonderful life to celebrate!
