“ I love memories of you as you aged. You became a friend and a loving father. I know you had a lot of stress on you raising the 3 of us when you were so young and worked so hard to take care of your mother. Love Michael

“ A dear loving Uncle who was there not only for his immediate family, but for a nephew as myself and anyone else he could assist and share his wisdom. Many events of joy and love include staying overnight with my cousins in New Gulf and Pledger, assisting with farming duties involving cotton, corn, vegetable garden, collecting eggs, feeding cattle, baling and storing hay. Numerous fishing trips to Matagorda Bay when sometime the trout and redfish were biting and sometime the only thing biting were the mesquitos. You will be missed, but never forgotten.

Your Nephew, Donnie
