“ Andy and I knew Felix from s-curve and I worked with Felix at Brookwood for 2. years. He was such and amazingly nice person to be around. He was always so nice to me outside of and at work His happy smile will always be the thing I remember the most about him. The citizens loved seeing him everyday and eating his meals. He enjoyed being playful with a few of his favorite citizens, and they loved him for it. I was absolutly shocked and sad to hear of his illness, and now relieved to hear he is no longer suffering and with our Lord and Savior Jesus Christ. You are now in eternal peace my friend, enjoy your walks God. Lead them in the music you loved to share with us.
