“ It's with great sadness that I extend to the Simon Family. Floyce and I volunteered together for 23 years. We shared so many happy hours talking of fun times with family. And occasionally sharing recipes. Floyce was a very kind,gentle and talented lady with a willing heart to help anyone with her knowledge and expertise. Thanks "Flossie" for the beautiful memories.

“ Floyce was such an important person in my Memorial Hermann Sugar Land gift shops days. She patiently trained and worked with me teaching me the "ins and outs" to running the gift shop. Not only was she a great mentor, she became a great friend. I will miss her genuine sweetness and kindness; she meant a lot to me and others as well. So dear sweet friend Floyce rest in God's love.....
