“ I was saddened to read about Folyd in the Livingston paper today. Floyd was not only a friend, but also a true mentor to me. I was fortunate to work with Floyd for several years. I'm sure there were many times Floyd went home and told Lola what he had taught me that day. I cannot count the number of times customers have come in and ask if I've heard from Floyd. Floyd made quite an impression on many people up here in the Lake Livingston area. My wife Lynn and I both feel so lucky to have known Floyd, and feel today that he had a large part in making our business successful. On our last visit, Floyd was so excited to be working on the Beach House with Doug. I'm glad they got to work together, Floyd always talked about Doug. Thank you for the great memories.
