“ *I have many fond, fun memories of summer vacation times spent with Tootie, her parents & her sisters. We shared secrets like sisters, played piano duets me badly, she quite well and together picked berries to make shortcakes. My first overnigher as a youngster was with Tootie! Many warm thoughts of her are in my heart. May God comfort and soothe the hearts of her family & friends.*

“ *Brother Earl and family: I heard just this morning about Tootie. I'm so very very sorry to hear the sad news. She was such a fine Christian lady. I remember all those times we all spent together at church gatherings and just being at your house for get-togethers and meals. She loved to sing. Perhaps the one thing I remember most was singing together when she was in the hospital. What great memories of her and of your whole family. Please know you are in our prayers. She was a much loved person. Our thoughts are with you in this sad time of trial. May the Lord bless you all. We know that she is with the Lord. Milton and Sue*
