“ I am sorry about the loss of your loved one. Words cannot describe feelings in a time like this. Many have found comfort in the Bible's promises of seeing our past loved ones again such as at John verses 28 and 29. Take care of yourselves and keep memories of your past loved one close.

“ Dearest, Terri, Karen and Johnny, Words just doesnt say enough to express Eddie and my sadness at this time. We loved your mom our Aunt Frances so much. I got the priveledge of getting to go spend some time with her while she was in the Sugarland Health Center on several occasions. My most memorable one was when they had the Elvis impersonator there. He grabbed me and danced with me and then went and sang and held your mothers hand and she just blushed. I thought she was gonna kill me for putting a dollar bill in his belt. It was a great time. She was very special to me. It seems like we had alot in common with liking our crime shows like Cold Case, CSI, and others. She was alot of fun to be around. I still remember hearing her say " Oh Goodness gracious me". I know she loved each of you and was so proud of you all. It showed when you went to see her at the center and seen all of the pictures of yall there. If there is anything we can do to help please let us know. We love you and are praying for you. I also have my Catholic Answers Forums Prayer Petition friends praying for yall. God Bless you all. Just remember as you go outside and look at the stars, the brightest one will be her with her angel wings helping God and Jesus keeping the candles in Heaven lit. She has joined your dad, Uncle Bubba, "Mom" Mildred Smith, , Uncle Joe, Uncle Buddy, and all of our other relatives. She and Uncle Bubba, your dad, are dancing the Garden Waltz in the big Vrazel Ballroom in Heaven and eating all them good kolaches. God Bless you all. Our love and prayers, Georgia and Eddie Smith.
