“ *To the family and siblings and my very good friend and sister in Christ, MJ. My condolences to you and your family with such a great loss. Thank you MJ for sharing such sweet precious moments and memories of Franny. I remember her when we were kids and I always thought she was so beautiful especially since she was a fillie! Those are the memories we take with us. Eternal rest grant unto Frances O Lord and let perpetual light shine upon her. May her soul and all the souls of the faithful departed through the mercy of God rest in peace. Amen.*

“ *I didn't want to believe it. First your diagnosis. Now, your passing. I find comfort in the fact that you are no longer in pain. I find comfort in the fact that you are home. But selfishly, I wish you were still here with us. "I'm not crying because I feel so sorry for you, I'm crying for me." I will keep your memory in my heart forever. Thank you for loving me. I love and miss you. Rest in peace.*

“ Fran, I remember all the the funny times that your sisters would try to throw you in the pool. You were too strong for the three of them. They couldn't get you in till a fourth person joined. Ha ha. You were special, they always jumped on you to dunk. I will miss you and playing volleyball in our back yard. Love you, brother in law .

“ Frances I never had the pleasure of meeting you, but had the privilege of praying for you these few years. I've been blessed with a special friendship with your Sister, Mary Jane, a Sister in Christ. As I say that you know Family is very important to MJ and I felt like I had meet you. Through all her story about her family you and your other Sisters and Brother Robert who has gone home along with you Dad and Mom. I had the privilege of meeting your Mother and she was awesome and a great person say hi to her for me. Our journey is now complete and I'm sure you have spread GOD's love to everyone you meet. You will now feel the peace and joy of your Heavenly Father and have eternal life with him and there will be no more pain or suffering. To Mary Jane and Family my condolence to all.

“ Sister Francis, your loving Smile and Kind spirit will be missed. The first time we meet you it was at a back yard volleyball birthday party. And I believe we lost the game to y'all because of the trees, just kidding. From that day forward we knew that we found a special lifetime friend. We love you.
