“ To Mr. Lahey and family: I have known Ms. Lahey since 2001 when  
she started coming to Dr. Popatia. I admired her right from the start,  
what a precious and wonderful woman she was. I have never met  
anyone who was as strong as she was, and such a caring person.  
She always took time to ask how I was doing and just to listen to  
what was going on in my life. I so enjoyed the times we would just  
sit and visit. I will truly miss her, but she is in a much better place  
and her suffering is over. May you find comfort in the strength of  
God during this time.
