“ I send my deepest condolences to Bob, Carol, Becky and their families. My thoughts and prayers are with you.
I was a young kid when I became acquainted with Jack, and he quickly became one of my favorite adults. Over the years, I always enjoyed being around him. I appreciated his sense of humor and was impressed with his "colorful" vocabulary. He was a good friend, a loving husband and a very caring father, and like many others, I'll miss him. But, I'll always remember the good times, because that's what he would want.
