“ When I married Larry he did not have a lot of blood family. But he introduced the girls and I to the families he loved And they became apart of our family. The Seniors the Mendoza the Caldwells never will forget Doris and her mom - we were neighbors in Houston growing up. The Finns and I can go on and on because if you knew Larry you were his family and then you were ours. When I met the Reyes Paul had been rodeoing with Larry for sometime. When I met Mr and Mrs Reyes I knew immediately where Paul and his brothers got there character. When I read Mr Franks obituary it did not surprise he was in the service but it did surprise me he was a Sargent. In all the years I have known him I've never known him to have a loud tone in his voice. He invited people into his heart and they respected him immediately. We will all miss him. He gave 100% and he earned back 110%. He was good at whatever he chose to do whether it was horses or cattle or being a friend. He excelled in loving the Lord and his family and his friends. We will all miss you. You and Mrs Reyes did a great job with your sons. Rest In Peace mi amiago❤️

“ *Joe & Vera and family, I send my deepest condolences to each one of you. Your dad was an honorable man. You could tell he was dedicated to his job at the school district and everyone like him for being himself. Four years ago I lost my husband, Ronnie Smith that worked for the warehouse and I can tell you that Ronnie thought a lot of this man that you will be celebrating for on Friday. Just to let you know Mr. Reyes' wife and my husband are in heaven and will be there to welcome him into the gates and will see that he receives his wings when he arrives from his journey. God bless and remember that your dad is in a better place and lived a good long life on this earth.*
