“ *I met Frankie in the fall of 2019. We clicked right away. We spent a lot of time together sharing our lives and families. I have lots of friends but I have never clicked so quickly with anyone. Frankie was a down to earth, friendly, giving and loveable person. In this day and age you don't find so many decent and kind people. She loved her sons, daughter-in-law and grandchildren so much. She lived life for them. To Frankie's family-i am genuinely sorry for your loss. My prayers are with you. She will be greatly missed.*
