“ *I give my sincere condolences to the families and friends. Freda was greatly loved and will be missed. The best description of Jehovah God is that he is love. It talks of this at 2 Corinthians 13:11 where it says, "Finally, brothers, continue to rejoice, to be readjusted, to be comforted, to think in agreement, to live peaceably, and the God of love and of peace will be with you." This love is the reason why we can be confident that Jehovah will remember those in the memorial tombs in the near future and we will be reunited with our loved ones. Please take comfort in that knowledge.*
