“ *I had the pleasure of training Fred when he was hired as a Ft. Bend ISD crossing Guard > He and I became good friends and he would often come by and visit me at my assigned school crossing post. He loved life and he loved his family. I will miss his smile and our conversations*

“ Fredrick was a a very caring and compassionate family man who helped others in any way he could. He and I were in the Sugar Land volunteer fire department in the 70's. He was a groomsman in my wedding. He always had a smile and liked a good laugh. He was always there to lift my spirits. May he rest in peace.

“ I remember Fred mostly as a very dedicated volunteer firefighter in Sugar Land in the 1970s. Fred was loved by many. He has transitioned to heaven forever, from this Land of the dying to the Land of the Living. Great great memories. A very funny guy. Dedicated to God first but loved his community & community service I have missed seeing you since the 1980s but I'll see you on the other side, my friend until we meet again.

“ *My thoughts and prayers to Frederick's family. I knew Fredrick while growing up in Sugar Land, we lived on the same street. Seeing him while working at the schools and then later as a member of the Sugar Land Volunteer Fire Dept. If you ever were in need of anything Frederick was the first one to help. The world has lost a great man.*
