“ I haven't seen Gary in several years and am saddened to hear that he's gone. I would stay at the motel where he and Diggy his little dog lived. We would talk often when I came hunting down here and it would sometimes get pretty deep. I always saved the liver of my deer kill for Diggy and Gary would cook it for him. We would haunt the local gun shops and he had at one time a good collection of German Mauser and other service rifles. Diggy knew when I came because of my truck and would jump all over me and I loved it. I don't know what ever became of Diggy. I have some of his property I would like to return to whoever. It's an old shotgun. Email is richardfiel@yahoo.com

“ Heartfelt regards to Jo Ann, family, and friends. I saw Gary just two weeks ago at the grocery store in Kerrville and he was the same happy, easy-going person I'll forever remember. He always had a smile and a good story to tell, and I will miss his company. This world could use a few more like him. RIP cousin, you left us too soon!

“ Condolences to the family may he rest in peace. I can remember many fun times we had, although he grew up way on the other side of town from me. I forgot Beasley isn't that big and wasn't all that far. We would get his Dad's old Chev. and head out for Hoppy's swimming hole. Spend all day having mud fights (throwing baseball size mud balls) swimming and more mud fighting. We found some Micky Twist chewing tobacco in the glove compartment one time, we were high and sick for two days. Many more memories he will be greatly missed.

“ Gary and bonded on a family vacation to Big Bend back around 1960. That is about the only childhood memory i have, but one not forgotten. Fun to be around, could take a joke and fire one right back at you BILL
