“ Gary Hopson was one of my favorites at Richmond State School. He always had a smile and a friendly hello. And Guinn and Jane were two of the nicest parents I've ever know. I remember Jane giving me a tip once about cutting and displaying pampa grass plumes. 30 years later I still think of Jane every time I see those plumes.

“ My prayers are with the entire family at this time. I work at Richmond State School in the MAPES department. I've had the pleasure of volunteering/helping Nancy Kircher with the Catholic Church Services on Monday for the past several years. Gary was very active in the service and he was very inspirational to me. He sang the songs beautifully and recited the prayers with great faith. He is in a great place now and his presence will still be with us at the Monday Services. He has touched my heart and I will cherish the special memories of Gary. God Bless, Gloria

“ Our prayers are with you all, Gary will never be forgotten he has left a great void in our hearts but he is in a happy world. I will always remember his happy smile and always saying his hello Lupe. I hear his voice just like he was walking by my office.

“ Gary was such a ray of sunshine every time I saw him. I am really going to miss him. It's really hard to believe that I won't see him tomorrow. Gary's spirituality and outward love for God helped to inspire my own spiritual growth. He was such an inspiration to me and I'm quite sure to many others. He will be missed dearly, but there is no doubt that he is in heaven enjoying his eternal reward. My prayers are with you and your family.
