“ Gary was a special person who I got to know over the last year while he was the security guard at my office building located at 1776 Yorktown - Houston, Texas. He and I became close friends and spent many days talking together during breaks down in the parking garage. He was a very intelligent man who could talk and discuss a multitude of subjects and topics. We talked about electronics and computers, American and world history, religion, politics, our military experiences and our upbringing and family background.

I will miss Gary for he was indeed a unique man and a kind and gentle man. My sincere condolences go out to his wife, daughters, grandchildren and his entire family. He cared deeply for his family and his granddaughters were the joy of his life. May God be with you Gary and bless you with eternal peace and happiness. You worked hard your entire life and now it is time to be "At Ease Sailor."

I will remember you always.
