

Geannie Louise Newell

February 1, 1948 - March 29, 2022

Geannie Newell went home to her Lord and savior this morning, March 29, 2022 in Houston Texas.

She'd celebrated her 74th birthday in February. Geannie was born into a navy family in Bremerton Washington. She graduated from Franklin high school in Portland Oregon.

Geannie retired from R and S Manufacturing. Before her retirement, she went back to school and earned her associates and Masters degrees.

After retiring, she discovered she had a passion for photography and travel.

Last year, she put 10,000 miles on her car in pursuit of those passions.

She had a strong Christian faith. From her church, to her bowling league, to her photography groups, she met many dear friends. She treasured each of those friends.

Geannie will be missed by her children, grandchildren and great grandchildren

“ *We will miss you dear friend. Loved our breakfast together as you came through town. Loved how we would discuss life, politics, state of world and what was new at church.*

You loved people deeply and were one of the kindest, generous people I know.

I know you are happy to be home with Jesus. We will miss you but we will see you again. 🥰❤️😊

“ I never met Geannie personally but we always enjoyed each other photos and reading about each other's adventures. I really enjoyed sharing photos of airport carpet because she was so proud of the Portland Airport carpet. A silly thing but fun. I can't imagine that she is going to slow down much in heaven with her desire to explore and see things. I will miss her photos and her adventures. Prayers for her family and friends as they learn to cope without this gem of a person. Happy photographing in heaven, Geannie.
