“ I extend heartfelt condolences to the Wittneben family. It was my privilege to have played a number of rounds of golf with Gene at charity events. They say you can tell a lot about a man during a round of golf. This was true of Gene. He was honorable, fair, a true gentleman with integrity to match his golfing prowess. He was a credit to his family, this community and this county.

“ I have worked with Gene for 16 years at Brazoria County. He was a very talented programmer and possessed a work ethic which would make any Parent proud. First to get here in the morning and often the last to leave. Gene took his responsibilities seriously; but knew how to laugh too. He was instrumental in bringing many new technological advances to Brazoria County. Without his steadfast leadership the County's Information System Department would not be where it is today. I salute you today Gene for a job well done. I wish for you the peace and comfort you deserve. And pray for your Family in their time of grief.

We will continue to pray for your family through this time of loss.

“ I came to know Gene when he took me into his aspiring group of computer professionals at Brazoria County in 1997. Over the years with much patience Gene groomed me and helped me find my place in our office family. I owe Gene considerably for his mentorship and the guiding hand he placed in my life. I will remember Gene as an always hard at work, intelligent, generous, compassionate man that stood his post with honesty and integrity. I know that Gene will be proud of his group as we dust ourselves off after this devastating blow and continue to take care of Brazoria County, the IS department and each other. We will miss you terribly Gene. Until I see you again, rest in peace my friend. B
