“ George was a quiet, loyal and supportive friend who I met in the late 60s when we both were employed at Richmond State School in Richmond. He was an excellent guitarist and his many years of involvement in the Opry delighted him and his fans. George will be missed.

“ George, there are so many memories, I wouldn't know where to start... I've known you my whole life. I'm going to miss you and the sound of that blue Aria guitar, too! Many opry shows and many trips to the music store are just some of these great memories. I am so blessed to have known you, sir!
