“ Doris my heart is so heavy for you sweet old friend. Know that George will continue to love and watch over you in his Heavenly Home. He is your newest guardian angel. George was a lovely man and a wonderful husband to you. Think of all those wonderful "road trips" the two of you had on the bike and the stories you would tell. Keep the good times close in your heart and remember them always. George is well now, just like a brand new man and he is waiting for you to join him some day. You still have work to do here. George completed his job on earth and the Lord has called him back home. Your love for each other will be with you and he forever Doris. Love you sweet friend.
