George was born to Henry and Albina Bayer in Wharton Texas on February 12, 1938. He met his loving wife, Lucille Marik at a high school dance and they were later married on June 3, 1961.

George his wife, better known as Lou, moved to Rosenberg in 1965 and have been residents since living at 1207 Damon Street, raising their five children within the community.

George enjoyed his weekends frequenting area yard sales and tinkering with anything he thought could be "fixed".

He had a great sense of humor and enjoyed making others feel welcome in his presence.

Elvis music was often heard playing the Bayer household. This love for the King is a connection he shared with each of his children, and one that they will always remember and cherish. Above all else, he was an avid fisherman who could never understand why everyone didn't enjoy fishing as much as he did!

He was a loving father and grandfather.

“ *Aunt Lou, Kenneth, Robert, Darrell, Alice and Lauren I just want all of you to know that you are in my thoughts and prayers. My Uncle George will be greatly missed by all. He was a great husband, father, grandfather, uncle and friend to all. I loved listening to his stories and about his adventures. What I will never ever forget is the way his eyes would sparkle when he laughed and he was always laughing.*

*God bless him and your family.*
