“ I am so sorry for your loss Nola. I just found out about George and wanted to pay my respects to you. I enjoyed working with George at Airdyne for many years. He was so dedicated to his work and I was honored to consider him a friend also.

He always talked about his adventures in life from boating to sky diving and I was always amazed at how he lived life to the fullest but at work he was totally immersed in his job. He loved doing things manually and sometimes I had to drag and beg him to use the computerized system only to find out later he was doing both! He made me laugh and we shared a friendship I will treasure. He always lit up when he talked about the two of you especially your time at your country place. I know you will miss him.

“ Eddie's sister Sheila was my best friend at St. Anne's School during 6th, 7th and 8th grade. I spent many a night at Sheila's house and Eddie was always around and we kidded him a lot. May he rest in peace. JoAnne Sharman Creasey
