“ Words cannot express what this beautiful, amazing woman meant to me throughout my life and how much I will always miss her. I have deeply missed her smile and genuine, joyous cheer just to see me and my family for however long we could visit -- 5 minutes or a whole afternoon. I have missed her good advice and constant faithfulness in everything good. I am eternally grateful for having been so very loved by her and, although my heart breaks with this earthly goodbye, am thankful, thankful she is with her Jesus now, and with her Gene, smiling and singing sweetly in her special way once again, forever and ever. I love you, Nanny and Granddaddy.

“ *Dear Janice and Jerry,*

What a privilege God has given us to have Christian parents who truly lived before us a life that honored God every day of every year. My mom was born in 1914 and dad in 1909. Our parents were "the greatest generation", absolutely! I am saddened for you but understand the joy of watching our parents be gathered into the arms of a loving God, our loving God. We rejoice and tend to forget the sad experiences of losing them and can then freely dwell on the blessings and joys of having them with us for so many years. What a good God we serve.

My love to you both and to the family, DeAnna

“ James 1:12 says, "Blessed is the man/woman who perseveres under trial, because when they have stood the test, they will receive the crown of life that God has promised to those who love him." And don't you know that Ms Georgia is looking mighty fine with her crown of life. We were blessed to have known her. She was an faithful woman of God, excellent wife, and true servant of the Lord in the truest way. She will be missed.
