“ Dear Ones...
...Glays was a remarkable person. I thank God for my years in
Needville. Glays' family are almost my family: we have shared
laughter and tears, weddings and funerals. Most important we can
retain those memories in our hearts and praise God for all dear
souls such as Glays; well done good and faithful servant!
Bless your hearts

“ I am very sorry for the loss of your dearly beloved one. We yearn for
the day to see sickness and the aging process reversed. We yearn
to see our dear loved ones again. Jesus promised, the hour is
coming in which all those in the memorial tombs will hear his voice
and come out -John chapter 5 verses 28 and 29. Also Job 33:25

“ I have many memories of my grandmother, all of which make me smile and laugh. She had a humor that I am not sure many saw, and a laugh that could carry distances. She was a beautiful woman. She loved her nails painted red, and could play a mean dominoe. Some of my fond memories of her include: sitting beneath the big tree in the back yard and talking while the worms fell from the tree, talking with her about our lives while driving her to get her hair done, and visiting her in the home one year when it snowed. I remember pushing her to the door, because she wanted to see the snow, and once at the door, opening it to show her the white sheet that covered the ground. Her response that still tickles me to this day was "close that damn door, its cold!" Mostly I will miss the softness of her hands, and her looking at me the only way a grandmother could, with Love.

Love you Grandma.

“ Aunt Gladys was a true woman of Texas. She tended home, husband, and children until she was no longer able. I will never forget the sweets I had from her kitchen and the many times she let me spend the night as a child. Many great times were had beneath that old oak tree in her back yard. We are saddened by her passing and will pray for all of you in this stressful time.

“ *My thoughts and prayers go out to all of my Maresh cousins. I last spoke to Aunt Gladys at my father's funeral reception. It was truly a gift that she was able to join us on such an occasion. It had been quite some time since I had seen or spoken to her. I will always remember our big family get-togethers at the farm on Snake Creek. Aunt Gladys always made our visits special.*
