“ My sympathy to Glen's family, especially Thelma. Glen was always smiling, glad to see old friends, share his thoughts and also the vegetables he grew. He will be missed by many. "Grief not that he is no more, rejoice in that he was." Marcella Hackstedt

“ I was fortunate enough to live close to my Uncle Glenn while I was growing up. He was there if you needed anything. I think that he looked after everybody. He was a joy to be around. His caring and sense of humor could always make you feel that you were important. His memory is a comfort to me. My hope is that part of him is passed on through me so that the people I know and love have a sense of comfort. He was a blessing to many. Helyn (Pinkie) Morriss

“ Glenn had a great sense of humor. He always made us feel that he was genuinely glad to see us. His love for his wife was visual. Their marriage made ours better. Seeing that time only makes love stronger. We will miss you Glenn and see you again some day.
