“

It was a honor to have Glenn as a Brother n Law. One who made sure that his wife and family was first. He had a great sense of humor. The first time I met him, the only name I heard was Krueger. I asked was his name Freddy and he said yes. It was about a year later I was talking to Joyce and she told me that Glenn was at work. Well I wanted to know who the heck Glenn was and what happen to Freddy. I like Freddy. That happen not long after they got together. We would laugh about it as the years went by. Glenn my Brother I will miss you but never will forget the smiles we had. We love you Joyce and we are here if you need us...God bless,
