“ *Where do we begin? Glenn and Jody have been friends for many years and when Carol came along she was friends with Glenn. We would go on trail rides with him and his children and our family. Paraded up and down the main road in Needville for many years in the Youth Fair parade. We would take our cows to the holding pens and Glenn always had something funny to tell us. Glenn was a good friend to anyone who knew him and he will be greatly missed. Oh, when he was Judge, he was always fair with anyone who was in his court room. We miss you man! May you rest in peace.* ”
